

House Resolution No.

Whereas, Representative Neal C. St. Onge is celebrating the First - 49th Anniversary of his birth, (or the Tenth 39th anniversary, depending on who you ask); and

Whereas, the Representative from the 88th House District has over-inhaled the fumes of both automobiles of west St. Louis and the Mississippi River for those 49 years, leading to his attendance of this state body of government; and

Whereas, his loyalty to the Republican Party has only been questioned by the House Minority Leader's psychic; and

Whereas, the gentleman from "Baldwin" is not yet suffering from "Male Pattern Baldness", as the name of his home town would preclude; and

Whereas, our colleague has had in his employment one "Grandma Noel" Boyt, who exhibits disdain and technophobia towards his personal Palm Pilot; and

Whereas, people of his district mistakenly believe that they will receive free cosmetics from his wonderful wife, Mary Kay, if they vote for him in November 2004; and

Whereas, his staff tries to keep a temperature reasonable only for the inhabitants of Antarctica, regardless of protests of other staff, his officemate, the Honorable Brian "Mudslinger" Munzlinger; and

Whereas, Pope John Paul II asks, "Saint who?" when questioned about the middle America Saint of Citrus Groves; and

Whereas, Chevy's Restaurant has to hire an entire new staff whenever Representative St. Onge has L.A. call to order lunch for yet another legislative conference; and

Whereas, Representative St. Onge has kept the Democratic side of the aisle at bay by creating argument and logic only a Conservative could appreciate; and

Whereas, when Representative St. Onge comes out of his office with his patent pending smirk, "Grandma Noel" and his legal staff "Kenton" know he has in hand at least a five-inch pile of files emails, and letters to address; and

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-second General Assembly, be it resolved that on this day, March 29, 2004, we, the members of the Missouri House of Representatives, wish our most honored colleague and friend, The Honorable Neal C. St. Onge, a most Happy 49th Birthday; and

Be it further resolved trees used to create this certificate were originally grown and ethically treated at the time of harvest and process, and must be recycled. No animals were injured or killed in the drafting of this resolution. If Representative St. Onge suffers from allergies, dizziness, or nausea reading, handling, or ingesting this resolution, the presenters do not want to be informed and hold no responsibility.
